A successful cross country flight begins on the ground with preflight preparation and flight planning. Join us as we share helpful hints and knowledge that will make you more comfortable with the airway and airport system.

Additionally, The FAA Safety Team (FAASTeam) will provide information regarding the "FAASafety.gov" website, "WINGS" Pilot Proficiency Program

*Directions:* From Garfield Road, turn into the MBS Airport service entrance just south of the main airport entrance, follow the road straight to the Hanger line then turn left through gate and park near hanger #5.

*Message from the National FAASTeam Manager:*  
**FAASTeam CFI Workshops start this Fall. Watch for them in SPANS...**
